Advisory Council

The Student Advisory Council consists of one regular representative and one alternate from each advisory. Advisory Council acts as a connecting link between all school organizations and the student body. This includes assisting the Student Council.

The Student Advisory Council has been more successful in reaching their goal each year. This group represents an active and willing one which is always ready to co-operate in all the activities.

This year the Advisory Council feels they have an especially alert group and look forward to a very successful year.

Mrs. Mildred Wallace is the advisor.

Talented players combined with the brilliant coaching of Ken Hinrich have been all but too much for the other teams of the Mid-State Eight. Thanks to Ken and his hard working Rams, Manual has never been beaten in Mid State Eight play. When a team finishes a season with an undefeated record as our Rams did they can well feel proud. Their 10-0 record was the third they have earned in three years.

Manual's Mid-State Eight champions dominated the third all-conference team selected by the eight coaches and representatives of the Peoria Journal Star.

Coach Ken Hinrich's Rams landed nine of the coveted 22 positions Spalding placed six men on the squad, Central had four and, Pekin, Limestone and Woodruff each had one.

Building this year's team around a nucleus of the returning lettermen, Ed Jackson, John Craley, and Dick Scovil, Coach Wilkinson molded a young, tough fighting team. Wilkinson's fighting team finished their regular season with a 22-2 record winning the Mid-State Eight Conference Championship for their second straight season. Now engaged in the Regionals for the State Basketball Championship, Manual had downed Matamora 87-46, Spalding, 58-54, and are now fighting for the Championship against Central tonight. If Manual wins they will advance to the Sectionals, then the Supersectionals, and finally covered State Championship.

Basketball Madness

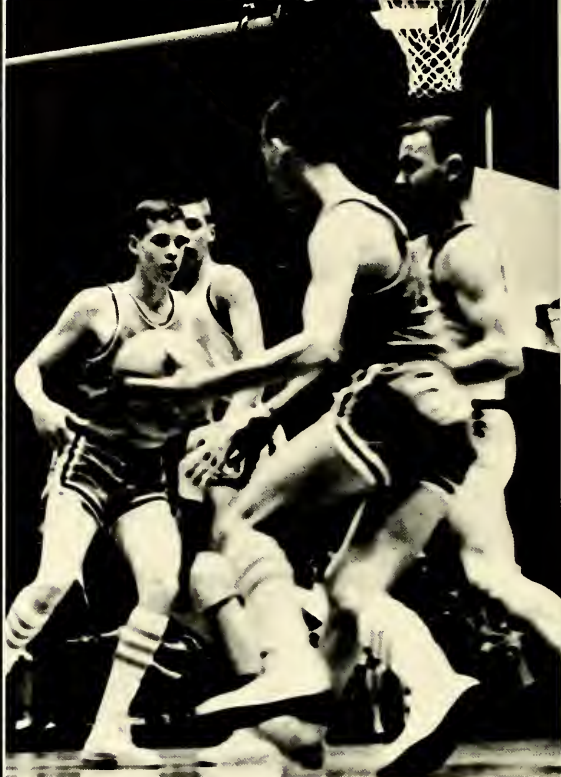

The Manual Rams were led this year by a All STATE center Eddie Jackson. Jackson with his high scoring and almost impossible rebounding ability, shattered the scoring and rebounding records in the Mid-State-Eight Conference.

With Dick Scovil and Ron Newton pounding points from the outside, Jackson, Johnny Craley, and Jim Anderson completely destroyed all of their opponents

efforts to stop them. When Jackson and the boys under the basket got a little cold, Scovil and Newton would machine-gun baskets in with uncanny precision. Jim Anderson and Dick Scovil, perhaps the unsung heroes of Manual's team, snarled rebounds, made baskets and set up plays. Craley and Newton also assisted Manual's team in winning the MID-STATE-EIGHT CONFERENCE championship.

Manual, although not winning state, captured fourth place by beating Benton 54-51. This sounds like an average game, but it wasn't. Manual down 14 points going into the fourth and final period came smashing back to win by 3 points in an overtime.

Little Ron Newston completely outmaneuvered Benton as he dribbled circles around them. Johnny Craley was spectacular as he popped in set shots from all over the court. Sharp shootin' Scovil banged in the last two points of the game, and Jim Anderson snagged a desperation pass which could have cost Manual the game.

Baseball

M

The Manual Rams Baseball team of 1960 enjoyed a highly successful season with a season record of 20-1 losing only to East Moline in the last round of the State Tournament. The coaching of Ed Stonebach led them to wins in many games by substantial margins. The team itself had some of the best Baseball players ever at Manual.

The team captured the Mid-State 8 Baseball crown for the second year as well as the City Championship.

Track

The Track Team, under the direction of Lloyd Yentes, has worked hard this year. They compete in such things as: high hurdle, 100 yard dash, 880 run, 440 run, 880 relay, low hurdle, the mile run, 220 run, mile relay, the high jump, broad jump, pole vault, disc throw, and the shot put. The student body doesn't support the track team as much as they should and it should be realized that the boys spend long hours working out.

1960: Track Teams

The Rain Cinder Men for 1960 experienced both success and disappointment during the past campaign. Their dual meet contribution was won 1 and lost 7, but when the chips were down and the big meets rolled around, the runners of Coach Loyd Yentes demonstrated that insatiable Manual spirit and finished in fine style. First was a come-back finish in the final event of the Mid-State 8 Conference Meet, the mile relay, enabling the Rams to finish third in the conference after everyone had picked them to finish dead last. Then the Normal Relays and the IHSA District meet came. Individually, the cinder-men stood out, as L. C. Pannell, Floyd Taylor, and Bill Adams all qualified for the state championship meet. Pannell, a standout all year for Coach Yentes, placed fourth in the 100-yard dash finals of the State Track Meet.

Cross Country 1960

In 1960 the Cross Country Team of Coach, John Aiello, ended the year with a record of eight wins and two losses. They placed 21st in the Central Invitational Meet, 5th in the Mid-State 8 Meet, and 5th in the State District with Ray Shearer placing 1st in individual running in this meet. Our team 61st in the State Meet at Urbana.

Wrestling Team

Although Manual finished with a record of no wins and eight losses, Mr. Fuson is hoping for a better season next year. The Rams Grappling Mentor stated that Manual does not have ideal conditions for wrestling, but he is hoping for new mats to help remedy the situation.

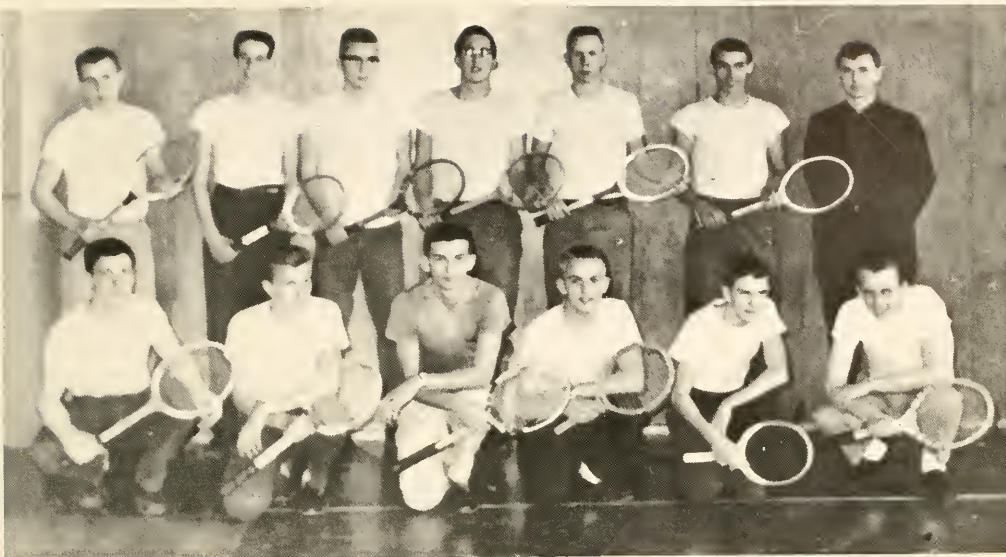

The Mid-State Eight Conference Meet was held at Manual this year. Harry Mervis took fourth in the District, but was defeated in the sectional.

Tennis Team

Tennis under the direction of Mr. Gorman has again been organized at Manual to compete in Mid-State Eight Conference.

Not since 1956-57, when Mr. Vachon coached the team, has tennis been a competitive sport at Manual. At the present there are thirteen boys out for tennis. Mr. Gorman believes, in regard to competition that "it will probably be above us, but we expect to win a few matches."

Students wishing to see the matches will be admitted free of charge. Home games will be played at Bradley Park. Mid-State Eight Conference matches will consist of six singles and three doubles.

"There will be no certain set of boys on the team since the boys who show up best will represent the team in conference matches."

for your hands...

It's a big, wide, wonderful world and we give it to you with our blessings. Our fathers gave it to us a generation ago. They told us it would be what we chose to make of it.

They made it very plain that an education didn't entitle us to any more of this world than anyone else; merely that with an education we'd be better equipped to face it, meet its challenges.

Our fathers told us we'd stand a better chance with an education, and that we'd get more out of life. It was true then, and it's still true now. And then, as though sensing an unspoken thought, our fathers added another word of caution.

"Nor is an education a substitute for hard work," they smiled. "It's just a great help in that work."

We offer you the same words as those we received. We offer you the same world, slightly changed, but essentially intact. It's for your hands to improve.
